pm

PRESENTED BY THE NASHVILLE JAZZ WORKSHOP

Call to Artists, Amateur, Emerging, and Professional: Please submit a JAZZ OR OTHER INSPIRED original creation, to the Small Works Art Exhibit and Art Auction.

NEW - We are accepting two categories of artwork this year!

- **Small Works** – all artworks must be no larger than 10 inches x 10 inches.
- **All Other Artwork** – 2D, 3D and any medium, and any size!

SMALL WORKS ART EXHIBIT and Art **AUCTION** benefits the Nashville Jazz Workshop as part of Jazzmania 2023. Entry deadline is August 31, 2023. All artists who donate will receive one free ticket to a Nashville Jazz Workshop performance, good for one year.

The **SMALL WORKS EXHIBIT** and **ART AUCTION** raises much-needed funds for the Nashville Jazz Workshop classes, performances, and community outreach programs. The NJW offers an array of classes for players and non-players, presents performances in our superb listening room, presents Jazz AM, our family and children's program monthly and partners with other community organization to present special events and concerts. In the course of a year we touch the lives and hearts of over 20,000 area residents.

All artwork is exhibited at Jazzmania and sold in a silent auction at the event. A roster of participating artists and a preview of works available for sale during the event will be posted on (jazzmania.nashvillejazz.org) before the event.

Community support for NJW is more important than ever this year. We are reaching larger audiences, young and old, and offering more community events at no charge. We are offering more classes, more performances, and more opportunities for the community to fall in love with Jazz than ever!

This means the success of our signature fundraising event, Jazzmania, is critical and we hope you will play a part.
